Made in Vancouver, BC

Our delicious **Chicken Orzo Soup** was developed by celebrated Vancouver Chef, **Karen Barnaby**.

Goodly Foods philosophy is to use as close to 100% of the ingredients we receive as possible and this soup is partially made from perfectly wholesome and edible kale, celery, and carrot trimmings.

They are teamed up with tender chicken and orzo to create a comforting and full bodied soup. Celery and onions add balance and the orzo is tender and smooth. This soup is a bowl of comfort.
