Unsweetened | Vegan | Kosher Pareve | Allergen free (gluten, dairy, nut)

\$14/lb

Origin: Ecuadorian Arriba Nacional Beans - Fine Aroma and Flavor Beans

The unique taste of slightly roasted cacao that is not processed with alkali (unprocessed). Natural cacao powder is best used in cake mix, baking and pastry. Since no alkali is used in this powder type, it is less soluble than Dutched powders, but it is the healthiest variety with plenty of antioxidants. It also allows you to perceive the pure flavor of chocolate preferred by some of the most demanding chocolate lovers.

Fat Content (Cacao Butter): 10-12%

USES: Baking - usually recipes that ask for Baking Soda (with or without baking powder) require NATURAL cacao powder.
