Source: Whisps, May 18, 2023

Introduce locally produced, healthy & delicious snacks to your customers.

45% of Canadian are more likely to shop at stores that carry international foods

Source: Mintel, January 30, 2019

Great on a charcuterie board!

Made in B.C!

Churchkhela is a threaded string of whole walnuts covered in a chewy fruit juice coating. Using a traditional recipe from the country of Georgia, our Chella is handmade locally in BC making it our most premium product.

2 sizes!

Sweet Sujuk is a fruit snack bar loaded with chopped walnuts. Originally from Turkey, Sweet Sujuk features fruits found in the Mediterranean and uses natural, high quality ingredients.

Perfect for kids!

Chella bites are chewy bite-sized fruit snacks packed with pieces of walnut. A modern twist on the classic Georgian recipe, Chella bites offer convenient and affordable healthy snacking.
