This is really refreshing. I've been looking for alternatives to alcohol for a while, just to mix it up. I really like the subtle hop profile, and citrus taste.

Karolyn
Vancouver, BC

Wow, this is really good! I didn't know what to expect at first, but I really like it. It's a great non-alcoholic alternative, very refreshing and enjoyable.

Gayle
Burnaby, BC

This is super refreshing! It would be great after a long cycle, or run.

Kris
South Surrey, BC

As a person who doesn't drink, this is incredible! I have tried absolutely everything out there for non alcoholic and this is my favourite!
